Ficus Play Tree

Product Information

Product Description

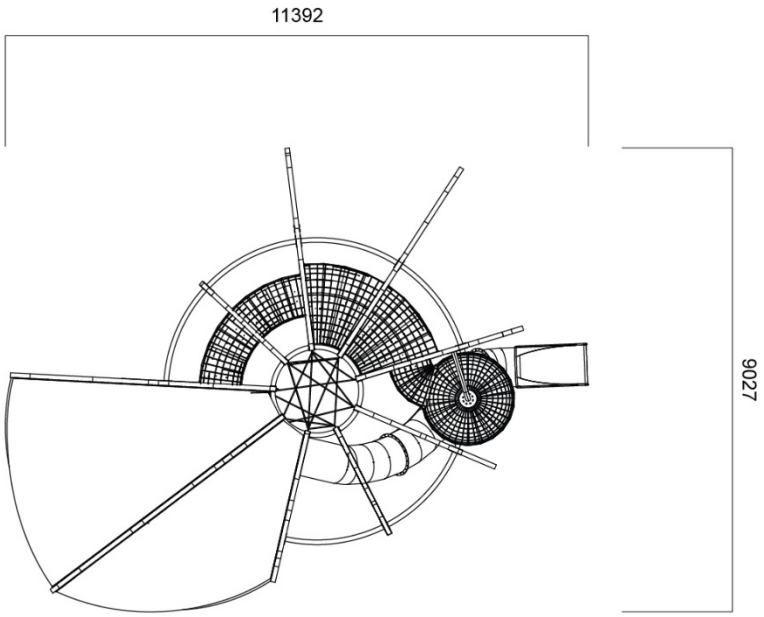

Banyan trees are known for being meeting points for merchants and villagers because of their huge shadow. They even draw their name from the name “Banias” Merchants. These trees are also known for their wide root system of laterally roots and air-roots, some of them growing out to be so thick that they are indistinguishable from the primary trunk. Above all of these interesting character, Ficus Play Tree holds exciting play experience features.
