

Product description

The **Arm Cycle** is a gentle, low-impact fitness solution designed to provide safe and comfortable exercise for elderly users and individuals with limited mobility. Engineered to strengthen the upper body, promote healthy blood flow through gentle movement, and enhance joint mobility, it encourages regular physical activity in an accessible and supportive manner. Featuring ergonomic hand grips, adjustable resistance, and a wheelchair-accessible design, the Arm Cycle offers a stable, inclusive, and adaptable exercise experience for users of varying physical abilities.
