

Product description

The **Ramp Practice** is designed to improve walking ability, balance, and mobility through safe ramp climbing and descending exercises. Its anti-slip ramp surface provides secure footing, while multi-height handrails offer stable support for users with different abilities. The checkered plate platform enhances traction and durability, ensuring greater safety during use. Ideal for seniors and individuals with limited mobility, Ramp Practice helps build lower-limb strength, improve coordination, and promote confidence in everyday movement.
