

Product description

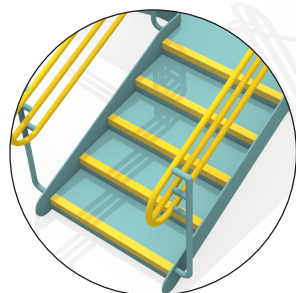

The L-Shaped Anti-Slip **Stairs & Ramp** is an inclusive outdoor fitness equipment designed to help older adults safely practise stair climbing, ramp walking, and turning movements encountered in daily life. Its L-shaped layout simulates realistic walking paths, helping improve balance, coordination, and directional control. With low-rise anti-slip stairs, a gentle-gradient ramp, and three-level handrails, it provides secure support for varying abilities while promoting lower-limb strength, mobility, confidence, and safer independent movement.
